Dear Gentlemen:

This is in response to your request for a wetland determination on property located adjacent to Salamander Road in the City of North Charleston, Charleston County, South Carolina.

A review of the plans which you submitted in conjunction with an onsite inspection revealed that the project area does not contain any areas subject to the jurisdiction of this office, and therefore a Department of the Army permit is not required for your project.

In future correspondence concerning this matter, please refer to N/R 89-047. You may still need State or local assent. Prior to performing any work, you should contact the South Carolina Coastal Council. A copy of this letter is being forwarded to the agencies on the enclosed list for their information.

If you have any questions concerning this matter, please contact me at A/C 803-724-4330.

Sincerely,

Charlie Crosby
Project Manager
