Mr. Mark Williams
1234 Williams Street
Marietta, Ga 30000

Dear Mr. Williams:

I look forward to working with you regarding the development of your 1.79 acres of commercial land located in Land Lot 206, 20th district, 2nd section Cobb County, more specifically shown on the attached survey. Please be advised that we have approved a reduction of the stream buffer on this property from 50 feet to 25 feet. Please present this letter along with any documents you may submit to Cobb County in order to obtain proper land disturbance permits. This should greatly enhance the usability and visibility of the site for a commercial user.

I hope this is helpful, please feel free to contact me if you have any questions.

Sincerely,

Rob Hosack, AICP
Director
