

7.0 INTERVIEWS

7.1 Interview with Owner

The subject property owner is Marc Donati of Lexmar Development in Los Gatos, California. He was not available for interview. Peggy Ellis, accountant for Lexmar, was contacted by telephone at 408-395-8817 on October 31, 2005. She reported that she contacted the property owner and went through PBS's standard owner/representative questionnaire with him. She also reported that Mr. Donati has owned the property only a couple of months.

7.2 Interview with Site Manager

Juan Morales, the current tenant of the residence on the subject property, was interviewed during the site reconnaissance. The interview is summarized as:

- He has lived at this address since 1991.
- The house is connected to city water and sewer.
- No buildings, besides the house and shed, have been on-site since his occupancy.
- The house has a dirt basement.
- There has been no dumping or drug labs on-site since his occupancy.
- The house has electric heat; the AST is not in use; the woodstove has been removed.

7.3 Interview with Local Government Officials

Michelle of the Fairview Fire Department Office (503-618-2355) was interviewed via telephone on October 28, 2005. Only commercial permits are kept on file.

7.4 Interview with Others

No other interviews were conducted for this report.
